Notes

1] Time Standards have been established from the Danish Olympic Qualifying Times for 2016, plus 1.5%.

2] Swimmers representing Denmark in the 2015 World Championships in Russia will automatically be selected for the Olympic 'Hopefuls' squad.

3] Other swimmers can qualify from any 'recognised' FINA or LEN long-course meet from June 2015 onwards. They can join the Olympic 'Hopefuls' group at any time up to the final team selection.

4] Danish-based Olympic 'Hopefuls' are expected to participate in all activities leading up to the final team selection.

Some leeway may be offered to foreign-based swimmers for both practical and logistical reasons.

All members of the Olympic 'Hopefuls' must fill in the appropriate forms to be included in this group [that is 'Availability/Non-Availability' Forms, 'Proof of Fitness' Forms etc.]

5] All Olympic 'Hopefuls' who miss the final qualification for the Danish Olympic Team will automatically be transferred to the Danish Vikings Squad for the remainder of the 2015-2016 season.
