Opportunities, Expectations, Commitment Great Danes—we have limited opportunities for the Great Dane program therefore full commitment is required. The expectations and commitment to the outlined activities is imperative and very much aligned with the expectation of the Jr national program. Once the discussion between National Coach and the Club Coach regarding the seasonal plan and an agreed pathway as presented then the swimmer and coach must adhere to it. Unless for unforeseen circumstances such as illness or injury with medical professional verification the swimmer is obligated to complete all activities presented. Failure to do so will result in the swimmer being ineligible for further Great Dane Activities for the balance of the 2018 swimming year. *all required agreements and compliance with the Federation must be adhered to remain eligible for the Great Danes' Team.

If any questions please contact national coach Dean Boles db@svoem.dk
