Talent development

Updates and ongoing business

Coaches and team leader network meeting in Herning: January 7th 2017

National junior team activities

Updates since last coaches meeting:

- Economy: less funding from Team Denmark than we have hoped for, means that we need to adjust activities a bit.
- There will be a maximum of 20 swimmers selected for European Junior championships. Se updated selections criteria on svoem.org.
- International competition in May for EYOF-team and EJC-team is not yet decided.
- Thinking about cancelling the extra activity for swimmers making the A-Qualification time for EJC in May. In stead looking to bring those swimmers earlier to Netanya for EJC.
- Selection criteria for World junior championships still being developed. Qualification is at Danish Open 2017.

Ongoing business

Short information on projects going on at the moment:

- Age group coaches seminars in march. Invitations can be found on svoem.org.
- Ethos, “One Team, One Goal” published on website.
- New e-learning modules from Team Danmark coming soon:
