

OPEN NORDIC CHAMPIONSHIPS

Dear friends

Welcome to Odense, the city of H. C. Andersen

It is a big honor for the Danish Water Polo Federation to host the Nordic Championship 2014. The tournament has grown from being only a few countries and just one age group to now 6 countries and 3 age groups and even a separate girl's tournament. This is indeed a huge success and a sign of the hard work the federations do to promote Water Polo and attract young players. The tournament is now one of the biggest regional youth championships in Europe!

To have many young players is the key to the future and this tournament shows a promising future for water polo development in all the Nordic countries

I am sure that the ugly ducklings we see in the water this weekend will turn out to be Swans of tomorrow's Water polo

Good luck to all teams and officials
Søren Elmstrøm
President Danish Water Polo
